

**Department of Veterinary Science and Microbiology
Student Exit Survey**

Please take a few minutes to help us by giving us feedback from your experiences in our department. Thank you!

Major: _____Veterinary Science _____Microbiology **Date:** _____

I. Student Resource Center

To what extent do you feel the Student Resource Center and the department met your needs in each of the areas below? Please answer yes or no to the following questions. Comment at the bottom if necessary.

1. I was able to make an appointment with an advisor or faculty member at a time that fit my schedule.
2. The office personnel in the Student Resource Center and the department were helpful
3. An advisor or faculty member was available to answer my quick questions.
4. A half-hour appointment is usually sufficient time to discuss my questions with an advisor.
5. Major required and elective courses were designed to help me achieve my educational and career objectives.
6. My college courses prepared me for employment upon graduation.
7. Departmental and College policies were clearly explained to me.

Comments:

II. Courses

Please rate the overall effectiveness of the courses you took.

Pre-major requirements

	Highly effective					Not effective
MCB 181R and L (Biology I)	1	2	3	4	5	NA
ECOL 182 (Biology II)	1	2	3	4	5	NA
Genetics: ANS 213; PLS 312; ECOL 320	1	2	3	4	5	NA
BIOC 460	1	2	3	4	5	NA
BIOC 461; MCB 411; MCB 410; MCB 473	1	2	3	4	5	NA
VSC 105	1	2	3	4	5	NA
Comments (which ones you did/did not find useful; instructors to note)						
<hr/>						
<hr/>						
<hr/>						

Major Requirements

	Highly effective					Not effective
MIC 285 R (Microbiology)	1	2	3	4	5	NA
MIC 285 L (Microbiology Lab)	1	2	3	4	5	NA
MIC 328 (Bacterial Physiology)	1	2	3	4	5	NA
MIC 419 (Immunology)	1	2	3	4	5	NA
MIC 421B (Micro Techniques)	1	2	3	4	5	NA
MIC 428 (Microbial Genetics)	1	2	3	4	5	NA
VSC 401 (Anatomy and Physiology)	1	2	3	4	5	NA
VSC 495A (Current Topics in Vet Sci)	1	2	3	4	5	NA

Electives

	Highly effective					Not effective
MIC/VSC 403R (Animal Parasites)	1	2	3	4	5	NA
MIC/VSC 403L (Parasitology lab)	1	2	3	4	5	NA
VSC/MIC 405 (Diseases of Livestock)	1	2	3	4	5	NA
MIC/VSC 433 (Virology)	1	2	3	4	5	NA
VSC/MIC 443 (Research Animal Methods)	1	2	3	4	5	NA
MIC/VSC 420 (Pathogenic Bacteriology)	1	2	3	4	5	NA
VSC/MIC 423 (Mechanisms of Disease)	1	2	3	4	5	NA
MIC/VSC 438 (Ecology of Infectious Dis.)	1	2	3	4	5	NA
VSC/MIC 449 (Diseases of Wildlife)	1	2	3	4	5	NA
VSC/MIC 422 (Histology)	1	2	3	4	5	NA
MIC/VSC 454 (Host-microbial Interact.)	1	2	3	4	5	NA
ANS 315R (Physiology of Reproduction)	1	2	3	4	5	NA
ANS 315L (Repro Lab)	1	2	3	4	5	NA
ANS 280 (Food Safety)	1	2	3	4	5	NA
ANS 270 (Horse Science)	1	2	3	4	5	NA
AREC 315 (Business Management)	1	2	3	4	5	NA

Electives (cont.)

	Highly effective					Not effective
ANS 456 (Develop Biology)	1	2	3	4	5	NA
SWES 305 (Pollution Science)	1	2	3	4	5	NA
SWES 440 (Biodegradation)	1	2	3	4	5	NA
SWES 425 (Environmental Micro)	1	2	3	4	5	NA
SWES 426 (Environ. Micro Lab)	1	2	3	4	5	NA
MCB 416 (Computer Analysis of Seq.)	1	2	3	4	5	NA
WFSC 456 (Aquaculture)	1	2	3	4	5	NA
PLP 451 (Plant Pathogenic Agents)	1	2	3	4	5	NA
PLP 427R (General Mycology)	1	2	3	4	5	NA
PLP 427L (General Mycology Lab)	1	2	3	4	5	NA

Comments on Electives:

III. Advising

Please give your impressions of your advisor or a faculty member by marking the appropriate box next to the questions. Please answer each question thoughtfully.

Advisor's or faculty member's name (optional): _____

	Not applicable	Strongly agree	Agree	Undecided	Disagree	Strongly disagree
My advisor (or faculty member) has been readily available for consultation						
My advisor has been actively helpful and has been genuinely concerned about my welfare						
My advisor listens to problems I encounter						
My advisor showed interest that extended beyond meetings						
I believe my advisor helped me make a transition to the UA						
My advisor has introduced me to various service organizations						
My advisor has been well prepared for each meeting						
My advisor was available and kept office hours						
My advisor gave accurate information and referrals						
My advisor discussed long range goals with me						
My advisor developed a respectful, personal and congenial rapport with me						

IV. Internship or Preceptorship or Lab Research Experience

Did you participate in any of these activities? If so, describe the experience and whether (or how) it was beneficial to your education.

V. General Comments

Please feel free to add your own general comments.

VI. Overall, I am satisfied with my educational experience in the Department of Veterinary Science and Microbiology: YES NO

Name (optional): _____
